FINANCIAL RESPONSIBILITY

I understand that I am financially responsible for all charges incurred on my account, whether covered by my insurance company or not. These charges are to be paid at the time services are rendered unless submitted to an insurance company who has agreed to make payments directly to Dr. Saba. If I fail to inform the office of any changes in my insurance coverage, I understand that I am financially responsible for all charges incurred.

I understand that Dr. Saba's business office will attempt to estimate my patient responsibility based on information provided by my insurance company and myself. I realize that this is only an estimate and that due to specific clauses and exclusions in my policy which Dr. Saba's office may not be aware of, some procedures may either be covered at an alternate benefit level or possibly not be covered at all. Furthermore, I understand that I can request a pre-treatment estimate of benefits prior to beginning treatment to determine dental benefits.

In the event collection proceedings are instituted to enforce payment of fees, I agree to pay any attorney fees and associated court costs necessary for collection. In addition, I understand that there is a $35 fee for returned checks.

If I will be unable to keep my scheduled appointment, I agree to give 48 business hours notice. Otherwise, I may be charged $75 for the appointment missed. (Extensive procedure cancellation charge may be higher due to the greater length of time reserved.)
